MYJAR offer top tips on creating useful and decorative jars

Tuesday 24 May, 2016

MYJAR, the short-term instalment loan provider, will be releasing a series of videos to help its fans transform jars from around the home into useful and decorative ornaments. The first video in the series will include step-by-step instructions on making a floating candle jar, and is available to view now at https://myjar.com/news/how-to-floating-candle-jar.

MYJAR has a vibrant and creative community with over 14,000 Facebook fans and encourages its fans to get involved and share how they've made use of their own trusty jars. Whether it's a jar to hold a sewing kit or a jar to store a delicious desert, MYJAR will be releasing monthly videos to capture its fans imaginations and provide innovative decorative solutions at little to no cost.

Just like those handy little jars around the home, MYJAR recognises that loans should be simple and useful. MYJAR offers loans of up to £2,500 from 1 to 12 months, and its high standards are recognised by its customers with over 1,700 positive reviews delivering an average rating of 9.3 out of 10 on the independent Trustpilot reviews website.

Digital Marketing Manager at MYJAR, Diogo Cruz said:

"We're delighted to present the first video of the series. We know how useful those little jars in the house can be and we're excited to show what amazing and useful things you can create with a little creativity and resourcefulness."
