

NAT has launched its new Support Your Site scheme at two of its most iconic heritage sites

Tuesday 23 December, 2025

NAT (Norfolk Archaeological Trust) has launched its new *Support Your Site* scheme at two of its most iconic heritage sites: St Benet's Abbey and Caistor Roman Town. The initiative follows the successful launch of the scheme earlier this month at Tasburgh Enclosure.

The *Support Your Site* scheme invites individuals, families, and organisations to become supporters through a small monthly contribution. Funds raised will go directly towards essential site care, conservation, community engagement, and improvements in visitor experience.

Natalie Butler, Director of NAT, said:

"St Benet's Abbey and Caistor Roman Town are extraordinary places where thousands of years of history remain woven into the Norfolk landscape. This new scheme is about giving people a simple, meaningful way to help look after the sites they love. Every contribution – big or small – makes a real difference in ensuring these places remain free to access and well cared for for future generations."

Supporters will enjoy a range of benefits including:

- A biannual supporters' newsletter
- An invitation to the NAT Summer Social
- Annual Director's Walk & Talk
- Their name listed on the NAT website
- Eligibility for an on-site plaque after two years of continuous support

For those who wish to gift a membership, *Support Your Site* is also available as a thoughtful local present for birthdays, Christmas, or special occasions.

"Our supporters play a vital role in safeguarding Norfolk's heritage," Natalie added. "We're excited to offer a new way for people to deepen their connection with these remarkable landscapes and help us protect them for years to come."
