

NerdPine Solutions Achieves ISO Certification for Quality and IT Service Management System

Monday 16 August, 2021

<u>NerdPine Solutions</u>, an American software consultancy headquartered at Hillsboro Oregon today announced that it has attained ISO certification after comprehensive audit of the company's internal operations.

NerdPine has been assessed and found to be in compliance with the requirements of the standard,

ISO 9001: 2015 - Quality Management System

ISO/IEC 20000 - 1: 2018 - Information Technology Service Management System

ISO 27001: 2013 - Information Security Management System

This quality management certification covers IT Consulting & Delivery Services, Design & Development of Application Software.

Companies that achieve ISO/IEC 20000-1:2018 and ISO/IEC 27001:2013 demonstrates high standards in the Information Technology Service and Security Management services. Commenting on this milestone, company's press contact said "Attaining ISO certification is a confirmation of the high standards of work practices employed by NerdPine and also NerdPine commitment to deliver quality to our clients across several verticals from Healthcare, Banking, Retail, Insurance, Consumer Goods, Pharma and Life sciences."
