

Netstar IT Support wins 50 Best Managed IT Companies Award for third consecutive year

Tuesday 15 December, 2020

It was recently announced that [Netstar IT Support](#) has been selected as one of the 50 Best Managed IT Companies in the UK for the third consecutive year.

London, 11th December 2020 – This week, [Netstar](#) attended the virtual '50 Best Managed IT Companies Awards' ceremony. They are thrilled to announce that they have been selected as one of the 50 top UK IT support companies for the third consecutive year.

The awards are run by TechnoPlanet, an international marketing and communications firm who specialise in the technology sector. Achieving top 50 status demonstrates Netstar's ability to consistently follow IT best practices and deliver an exceptional service to their clients.

Mit Patel, Managing Director at Netstar says, "Being selected as one of the best 50 Managed IT Companies is a great achievement for us, especially as this is the third consecutive year that we've won the award. 2020 has been a challenging year for every business, so it's great to see that we've been able to maintain our excellent level of service, even in such unprecedented circumstances."
