# Netstar win Services Company of the Year at the UK IT Industry Awards!

**Monday 15 November, 2021**

**London, November 2021 –** Netstar are thrilled to have won Services Company of the Year at the UK IT Industry Awards!

The UK IT Industry Awards are highly regarded by IT professional across the UK as one of the most recognised events in the technology industry calendar.

Winning Services Company of the Year solidifies Netstar's presence as one of the leading IT Support companies in the UK, demonstrating their commitment to customer excellence and client satisfaction.

To win the award, Netstar completed a two-stage application process, including a written entry and live presentation to the judges with a Q&A outlining their recent innovations, service delivery and how they've gone above and beyond to help their clients.

Despite a challenging 18 months, Netstar haven't let the pandemic hold them back. Instead, they've continued to innovate and invest in new services to improve their client experience, including Cyber Security Packages, Customer Success Platform, and ITSupportPanel App.

Everyone at Netstar is delighted to have received such a commendable accolade and look forward to continuing to provide award-winning IT Support, now and in the future.
