New Harry Enfield & Sue Johnston feature film releases on June 1st

Wednesday 20 May, 2026

Streaming on Amazon Prime, Apple TV, Google TV from June 1st 2026.

Welcome to Borovia is an unusual and quirky British comedy in the setting of a faraway cash-strapped state, governed by an unpopular ruling party desperate to hang on to power.

In fact with ministerial backstabbing coming strongly back into fashion at the moment, the film perhaps has a special relevance right now.

Harry Enfield is the disgruntled President Stepanov presiding over his bickering Cabinet Ministers played by an excellent British support cast. **Sue Johnston** becomes pivotal as the ever-faithful cleaning lady with a useful dose of commonsense lacking in her supposed superiors.
