New In Notting Hill – House And Mews Specialists, Lurot Brand Have Expanded Their Estate Agency And Lettings Company

Tuesday 8 September, 2015

Central London estate agent, Lurot Brand is celebrating a move to their newly opened Notting Hill and Holland Park office. Located at 8 Ladbroke Grove, on the corner of Ladbroke Walk behind Holland Park Avenue, the office is just a few minutes' walk from both Holland Park and Notting Hill Gate underground stations.

Founded by Antoine Lurot in 1971, Lurot Brand started building a successful reputation in the selling and letting of prime central London houses and for specialising in Mews houses. **James Robinson, General Manager comments:** *"Having a trio of long established offices in W1, W2 and SW7, choosing the location of next office in Ladbroke Grove, Notting Hill was a clear choice. For some time, we have been pleasantly surprised by how many house and mews house owners in both Notting Hill and Holland Park have been keen to use our services, so now was the right time so it felt right the right time to open an office here in W11. While we are known for our mews specialisation not all our buyers and tenants want converted stables! We have many applicants in search of pretty houses in central London locations. So although our success in mews remains stronger than ever before, our specialisation in this bracket compliments the W11 housing stock extremely well, and we are looking forward to extending our proven and unique style of estate agency to the residents of Notting Hill and Holland Park."*
