

New Online Fitness Store GymRoom.com Launches Soon

Tuesday 5 November, 2013

From the people behind successful sports injury website PhysioRoom.com comes a brand new online fitness store, bringing consumers the highest quality home exercise equipment, at affordable prices.

Launching soon, GymRoom.com is home to a huge choice of personal gym equipment, including treadmills, exercise bikes, cross trainers, stepmills, weight training products, commercial gym equipment and more.

With big name fitness brands such as Cybex, Schwinn, Spirit Fitness and StairMaster in stock, GymRoom.com is the one-stop shop for home fitness products on the net, helping people get fit, active, strong and healthy in a way that is compatible with today's busy lifestyles. GymRoom.com also offers a wide range of accessories for use at home or in the gym, including foam rollers, gym balls, exercise mats and yoga equipment.

Easy to navigate and completely secure, GymRoom.com is a responsive website which adapts to fit the device it is viewed on, for a convenient shopping experience, any where, any time. Just think of it as a portable personal trainer and fitness store, in one!

Visitors to GymRoom.com can also benefit from its unique Performance Portal, an informative and engaging social hub soon to be revealed, with downloadable product guides and fitness forums, designed to help customers get the most from their home gym equipment.

To celebrate the website unveiling, GymRoom.com are giving away five prizes worth more than £600 in total, including a programmable exercise bike and portable heated massage chair. Entry is via the website and more details can be viewed on the GymRoom.com [YouTube channel](#).

Shopping with GymRoom.com couldn't be easier. From the fast, free UK delivery available on most products to the choice of finance options in place to help spread the cost of purchases, customer satisfaction is at the heart of the GymRoom.com ethos.
