

New platform: Tradegate Exchange informs about global shares traded by private investors

Tuesday 18 September, 2018

The Tradegate Exchange presents <http://www.bankernews.co.uk/>, a new platform to inform at regular intervals of global shares traded by private investors. Tradegate Exchange is Europe's leading marketplace for private investors. The long trading hours (08:00 to 22:00 CST, UTC +2) and outstanding liquidity enable Tradegate to provide an actual view of current trading activities in the securities business.

The Tradegate Exchange is a **securities exchange geared to the needs of private investors**. It provides private investors with real-time price data and enables trading in more than 4,700 equities, 1,700 ETPs, 2,800 bonds and 2,000 funds, and runs on all **exchange trading days from 8 a.m. to 10 p.m.** Members can also rely on special types of orders, such as trailing stop or one-cancels-other orders. Market Specialists provide continuously valid prices and orders are on principle executed immediately and completely.

As a Market Specialist, Tradegate AG is active in all equity classes and ETFs. A second Market Specialist (mwb fairtrade Wertpapierhandelsbank AG) provides quotes for bonds and funds. **At present, mainly online banks from Germany, France, Austria and the United Kingdom are connected to the platform.**

Tradegate Exchange has enjoyed regulated market status as defined by the Markets in Financial Instruments Directive (MiFID) since the beginning of 2010.
