New PodCast Series from Prominent Jewish Entrepreneur Stephen Taylor

Thursday 29 September, 2022

Prominent Jewish Businessman and Entrepreneur Stephen Taylor, of Sweet Concepts and Propaganda has started a new PodCast series where he discusses various aspects of running a modern business, as well as examining the role of Charitable Giving in businesses.

His PodCast is available on a variety of platforms, including SoundCloud and each month will feature different voice artists narrating articles and blogs written by the Philanthropist himself.

Speaking about the new venture, Stephen Taylor said ‘I’m delighted with the early results from the first few PodCasts, and looking forwards to sharing other ideas and thoughts over time. Giving business advice freely fits right into my overall philosophy of charitable giving, which is that those of us who’ve accomplished more should be shared freely with others, and I feel certain that there are some great interview moments to come from fellow Philanthropists within the Jewish business community too.’
