

New PodCast Series from Prominent Property Legal Adviser Oliver Tighe

Monday 31 July, 2023

Renowned property and lawyer [Oliver Tighe](#) has started his own property and legal business advice and tips PodCast, freely available to all via [SoundCloud](#).

Oliver Tighe, International businessman and entrepreneur, currently based in the Republic of Ireland, and with business interests as far afield as London, has over 30 years of experience in Property Law and Legal Advice to both Landlords and Tenants.

This gives Oliver a wealth of experience and stories to share, and of course, these days everyone has chosen PodCasts as the new digital medium of choice from which to share their thoughts and experiences.

Speaking exclusively, Oliver Tighe said: 'I'm delighted with this new project, but of course am anxious about the value of the program for landlords and tenants who are facing unprecedented challenges right now. This is a totally new departure for me so I am hopeful that sharing my tips, tricks and traps will have value. A good business should always be looking for new ways to engage, and this is the perfect opportunity for me to find out exactly how a PodCast can grow and develop your audience.'

Due to Oliver Tighe's busy schedule as the head of multiple international projects, every month the PodCast will feature paid voice artists who will narrate aloud his latest blogs.

Oliver adds: 'I am looking forward to collaborating with my Podcast voice partners in order to deliver the best content and program I can.'
