New Saturday Opening Announced at Lockwood Care and Wellbeing Centre in Locks Heath

Age Concern Hampshire is excited to announce the launch a new monthly Saturday Club, opening from September at its Lockwood Care and Wellbeing Centre in Locks Heath.

The club will take place on the first Saturday of each month, 9.30am – 3.30pm and is open to both current and new clients. This new initiative is designed to offer greater flexibility and much-needed support to older people, their families, and carers across the community.

The charity's Care and Wellbeing Centres offer nurturing day care in a safe, secure, dementia friendly environment. Clients can enjoy a range of engaging activities, optional hot lunches, and transport services, while carers benefit from vital respite time.

"We're proud to be launching this new Saturday provision at Lockwood," said Hannah Park, Head of Operations at Age Concern Hampshire. "It reflects our ongoing commitment to meeting the changing needs of our community with flexible, high-quality care."
