

New Vintage Ordnance Survey Town Maps of London – as Wallpaper!

Friday 8 January, 2016

Amazing detail of streets, houses, gardens, public buildings, property boundaries and parks. Even lamp posts, water pumps and individual trees are shown on these beautiful maps.

Available in true black & white or with a hint of colour to give an 'antique' feel.

From £210 for a 100 x 100 cm piece but can be custom made to fit the size you require.

The wallpaper is a revolutionary paste free self-adhesive fabric based (Polyester Blend) inkjet media that can be used instead of conventional wallpaper. Its paste free adhesive backing means it can be used on any (non porous) surface.

- 350gsm Polyester Blend.
- Low tack self-adhesive that is removable, repositionable and reusable, and is totally paste free.
- Will stick to any non-porous surface including walls, doors and windows.
- Will not damage host surface.
- Very durable - will not rip or wrinkle.

As part of the personalised map service, LMO will provide you with a low-resolution proof file showing your whole wallpaper. They will also provide you with a high-resolution clip of the map centre. You will need to confirm you are happy to proceed before they print your wallpaper. These proof files will be supplied to you via email so please ensure you supply this when placing your order.
