# New Year New Opportunities Lasting Planetary Protection and Increased Social Impact for UK Companies

**Monday 29 December, 2025**

SocialBox.Biz: Eliminating Data Security Barriers to Enable Secure IT Reuse Before IT Disposals Across the City of Westminster, London Borough of Camden and Beyond

As we step into 2026, UK businesses have a powerful chance to lead on sustainability and inclusion!Partner with SocialBox.Biz for IT reuse before disposal: Reusing one laptop saves ~316kg CO? – double the impact of recycling – delivering verifiable Scope 3 reductions

The long starting solutions boosts social impact and reduces emissions for London companies.

LONDON, The UK – New SocialBox.Biz Survey Reveals 60% of UK Firms Want to Boost Social Impact but Lack Surplus IT Hardware. Recognizing that data privacy is a persistent top concern, the SocialBox.Biz team reconfirmed this finding in a December 2025 survey.
To address these concerns, SocialBox.Biz provides a seamless, secure service including: Certified Data Wiping: Adherence to over 20 global security standards, including NIST 800-88 and ISO 27001.

New year and new opportunities to reduce emissions increase impact for
London companies.

As the new year begins, London companies have a fresh opportunity to lower their Scope 3 emissions. Reusing a single laptop with SocialBox.Biz can save approximately 310 kg to 316 kg of CO2—more than double the environmental benefit of recycling, which is an energy-intensive process.

According to SocialBox.Biz a London based community interest company -- 3 out of 5 companies want to boost their social impact but lack surplus IT hardware to donate. In response, SocialBox.Biz introduced Impact Plans, allowing businesses to increase impact by supporting SocialBox.Biz community interest company using PR or ESG budgets instead of
physical tech items. Learn more now by visiting: https://www.socialbox.biz/corporate-impact/

These plans fund critical initiatives, such as tech labs and CompTIA+ training programs for formerly homeless individuals and older people in isolation.

"Our long-standing solutions turn redundant technology into lifelines for education and employment," said a SocialBox.Biz spokesperson. "We are calling on London businesses to 'Call SocialBoxBiz Before You Scrap It' so we can check what items can still be reused before IT disposal and recycled takes.
increasing impact for companies and helping those those who need it most and can not afford any computer hardware or software".
