News from the North Pole: Santa is Live!

Thursday 21 October, 2021

Panto Live presents Santa Live: a one-of-a-kind interactive online pantomime allowing you to interact live with Santa and his elves from the comfort of your living room!

Santa Live is a spectacular virtual event which enables families and students to meet Santa from their home or school.

The Santa Live Panto will be a virtual Christmas phenomenon featuring interactive buttons, live shoutouts, and a virtual front-row audience.

This super magical show combines the traditional experience of meeting Santa with panto comedy and wit, not forgetting the classic musical element that is the core of every good pantomime.

Santa Live producer, Lianne Collinson says “Every child should have the opportunity to meet Santa at Christmas, and Panto Live has joined forces with him so he can speak to children in their homes no matter where they are in the world”.

The show features Portugal’s Got Talent finalist, Martin Callaghan who will be playing Santa in the interactive panto. Martin has also featured in Panto Live’s smash hit 2020 pantomime Cinderella Live as the Baron and will appear in their 2022 pantomime, Peter Pan Live as Smee.

Santa’s elves promise to bring joy, laughter, and classic panto comedy to this interactive and inclusive show.

Cinderella Live was enjoyed by over 300,000 people worldwide last Christmas with the show being the perfect solution as theatres faced closure as a result of lockdowns in the UK due to the COVID-19 pandemic.

Santa Live will include virtual buttons that will be available on your screen as you watch the show meaning that you can cheer and shout in real-time. Printable pantomime activity packs also come with each ticket, including puzzles and quizzes along with song sheets for the show. The online event will be enjoyed in schools and homes across the world this Christmas and is an opportunity not to be missed.
