Next month UK based SJS Solutions presents a brand new range of Digital Display and Visual Communications Technology at the ShoreTel One Partner Conference in Orlando, FL.

Friday 13 March, 2015

It's been 2 years since Unified Communications and Contact Center Technology Company ShoreTel hosted a partner conference in the USA. This year's event promises to be the largest gathering of ShoreTel resellers, employees and technology partners ever witnessed.

Long term technology partners SJS Solutions were one of the first to sign up for the event, SJS CEO Stephen Pace said: "We attended the last ShoreTel event in November 2012 and the response to our contact centre wallboard solution was excellent, this year we are going to launch our latest range of digital display products plus announce some other cool stuff. It's an excellent chance to meet with our reseller partners and introduce new ones to our program"

The ShoreTel One conference will run from April 29 to May 1 2015 and will be held at the exquisite Gaylord Palms Resort in Orlando, Florida. Attendees can participate in networking opportunities, business development and gain insight from executive thought leadership. With the event being attended by Technology Partners, Sales Executives, Consultants, Marketing Managers, Industry Analysts, Technicians, Sales Engineers and key ShoreTel employees the turnout is expected to impressive.

If you are attending ShoreTel One 2015, not only will you learn more about ShoreTel's bold plans to transform telephone and UC markets, you will also have the opportunity to come and meet SJS Solutions CEO plus Head of Technology, Adrian Vickers and learn how SJS Solutions new Optymyse range of ShoreTel Enterprise Contact Center compatible digital wallboard products will help ShoreTel vendors close more deals and delight more customers.

See you there!

About ShoreTel

ShoreTel, Inc. (NASDAQ: SHOR) is a leading provider of brilliantly simple IP phone systems and unified communications solutions. Its award-winning on-premises IP-PBX solution and cloud-based hosted phone system eliminate complexity and improve productivity. Recognized for its industry-leading customer experience and support, ShoreTel's innovative business phones, application integration, collaboration tools, mobility, and contact centre applications enable users to communicate and collaborate no matter the time, place or device, with minimal demand on IT resources. ShoreTel is headquartered in Sunnyvale, Calif., and has regional offices and partners worldwide.

About SJS Solutions

Founded in 2001 SJS Solutions develop innovative, affordable, easy to deploy visual communications solutions suitable for call & contact centres, help & support desks, sales teams, operational areas, driver depots and logistic offices to name a few. The SJS range of solutions are the result of over 10 years working with and listening to customers ranging from multi-billion dollar health care enterprises to insurance & automotive companies with small teams of people striving to deliver the best service and customer care possible. In the last 5 years SJS have become a global leader in creating the most flexible, easy to deploy visual communications products for companies of varying sizes with varying needs. The SJS API now ensures customers can display anything, anywhere.
