Nominate today and recognise someone special who has made a difference to the life of a child

Monday 9 March, 2020

Nominations have opened for the Scottish Children's Health Awards which have been created to celebrate those who are making a difference to the health and wellbeing of children and young people in Scotland. Six specific award categories have been announced and nominations can be made until 5:00pm on Friday 2 July 2020.

The Awards Ceremony will take place on the afternoon of Friday 4 September 2020 at the Children's Health Scotland Conference | Feeling Good which is being held at the Sheraton Grand Hotel, Edinburgh. The timing of the Awards Ceremony has been chosen to support Scottish Children's Health Week (31 August to 6 September 2020). This is the perfect opportunity to let us know about:

- someone special at home, at work or in the community who has gone the extra mile to make a real difference to the life of a child or young person; or
- a child or young person who has shown great courage and determination and has kept going in the face of adversity.
