nowmedical Limited celebrates its launch anniversary!

Monday 23 October, 2023

With just one year to go until London-based nowmedical hits 'The Big 2-0', nowmedical will spend the lead-up to its 20th Anniversary celebrating the good news and positive actions that the company has implemented since its inception.

During the course of their 19 year history, nowmedical have expanded exponentially. From the handful of staff when they first started, to the 18 Doctors now working for them, it's a story that's one of continuous growth throughout their history.

Dr John Keen, founder and CEO of nowmedical, takes up the story. 'When I look at where we are now, compared to where we began, I'm obviously filled with an enormous sense of pride. But of course this isn't just my story, this is the story of the success of everyone who works here and the success of our partners.'

From working with 1 housing association at the start to working with 30 now, and from 5 Local Authority partners to over 130 Local Authorities, there's no wonder that they've also had to expand their offices in Chiswick in order to accommodate their success!.

Dr Keen adds: 'I can't wait to see where the next 20 years takes us, and in the meantime, for the lead-up to our official 20th Birthday Party, we will continue to proudly celebrate all of the important steps we take along the way.'
