

Numilog launches Readzis.co.uk: a new ebook store for British readers

Thursday 6 March, 2025

As a pioneer in the eBook industry since 1999, **Numilog** announces the launch of **Readzis.co.uk** (<https://readzis.co.uk>), an innovative eBook store designed for British readers. With cutting-edge features and a seamless user experience, Readzis is set to improve the way readers enjoy digital books.

Why Readzis.co.uk?

To deliver **3 exclusive services** that enriches digital reading experience:

1. The Readzis recommendation program

Share your favourite eBooks with friends and **earn 15% of the book price** whenever they make a purchase based on your recommendation! This unique program helps reduce your book budget while letting you share great reads with others.

2. A reader-friendly App: Louise Reader

With Louise Reader, available on Android and iOS, all your eBooks are instantly accessible on your smartphone or tablet. No password needed — just your Readzis account. Download, read and dive into your favourite books effortlessly.

3. Instant eBook streaming

Say goodbye to complicated setups: with Readzis, click and read instantly on your computer, tablet or smartphone.

Open to many devices and reading applications

Unlike the closed ecosystems offered by other major players, eBooks purchased on Readzis are also compatible with a wide range of reading systems, including Kobo devices and other LCP or Adobe DRM-compatible applications and devices. Switch now for a truly open digital reading experience!

A comprehensive eBook catalogue

Discover a vast collection of eBooks in EPUB and PDF formats from top publishers like Penguin, Random House, Dorling Kindersley, Hodder & Stoughton, Hachette UK, Elsevier, Springer, Wiley, Sage Publications, Cambridge University Press, Oxford University Press. Whether you're into fiction or non-fiction, there's something for every reader — and the catalogue keeps growing!
