

Oasis and Bohemian FC collaborate on new shirt

Tuesday 1 July, 2025

100% fan-owned not-for-profit, Ireland's oldest football club, **Bohemian FC**, unveil a very special FAI Cup shirt paying homage to one of the greatest bands of all time, and two of Ireland's most famous sons. **Oasis**.

Featuring the iconic Oasis logo in the traditional blue tones of Dublin City, with a 90s styling and sublimated chevron patterns, as well as a white and blue collar and sleeve trims, it is manufactured by O'Neill's Sportswear Ireland and designed in-house by Bohemian FC in collaboration with Oasis – the exclusive shirt is available for order now at www.oasis-bohemianfc.com

All profits from the shirt will be split between Bohemian FC and two charities. Fifty percent (50%) of the profits from the shirt will be used by Bohemian Football Club to help build on the club's pioneering work across its football and community activities. The other fifty percent (50%) will be split 25% to Music Generation Ireland, to allow disadvantaged kids across Ireland access music and 25% to Irish Community Care Manchester (ICCM), for their amazing work with the Irish community in the city. No proceeds will go to Oasis for their partnership and support of this project.
