

## Oddo & Cie acquires the German bank Close Brothers Seydler\*

Monday 20 October, 2014

**For its first acquisition abroad, Oddo & Cie focuses on Germany and its Mittelstand**

The first independent broker on French midcaps, Oddo & Cie, is expanding its market expertise on midcap companies to Germany via the acquisition of the German bank Close Brothers Seydler Bank AG from the London-based Close Brothers Group Plc. The future company will take the name of Oddo Seydler.

With 110 employees, Close Brothers Seydler Bank is one of the leading specialist floor traders on the Mittelstand. It operates on equity and bond brokerage, IPO consulting, capital increases, bond issues, and Designated Sponsoring for 230 corporates. The company's annual income is close to 40 million euros.

Close Brothers Seydler's and Oddo Securities' Research teams will follow together 400 companies, of which 196 are French, 143 are German and 67 are from other European countries. They will have the market lead on French and German midcaps. The latest 2014 Extel survey ranked Oddo Securities number 1 on midcaps and Close Brothers Seydler won the "Best German SME House" award for two consecutive years in 2013 and in 2014.

Already present in Germany in the sales of its Oddo Asset Management funds via a Frankfurt-based office, the Oddo group will now develop the whole of its Investment Banking activities in this country thanks to Oddo Seydler, thus laying the foundations for a Franco-German bank.

This deal will offer Oddo & Cie's French customers better access to German businesses and investors while clients of the future Oddo Seydler company will benefit from the expertise, tools, and international coverage of the Group Oddo's sales teams.

"I am particularly pleased with this acquisition which takes place in a climate of strong trust with Rene? Parmantier's teams. We are about to bring a privileged access on the Mittelstand to our current clients and to offer to German family businesses a way of reaching worldwide investors" declares Philippe Oddo, Managing Partner of Oddo & Cie.

"This is a perfect fit. This acquisition fully preserves our culture and I am really confident about the development perspectives that it will bring to us. We are absolutely delighted to have Oddo & Cie as our parent company. The two companies match perfectly in serving the needs of small and medium enterprises (SMEs)" said Rene? Parmantier, CEO of the future Oddo Seydler, who not only keeps his position but will join the Executive Committee of the Oddo Group Investment Bank.

For Preben Prebensen, CEO of Close Brothers Group Plc: "The disposal realises value for Close Brothers that will be reinvested in our core businesses of lending, wealth management and securities trading in the UK. We wish Oddo Seydler continued success with its new owners Oddo & Cie."

\* subject to approval by the relevant regulatory authorities, especially BaFin, this transaction could be completed before the end of 2014
