

On the Road Again

Friday 12 February, 2021

West Wight Men In Sheds are back on the road thanks to the support of the local community and local businesses'.

After their previous van became beyond economical repair in December last year. The charity based in the West Wight had to dispose of the van, and start fundraising for a replacement van.

Thanks to donations received through Crowdfunding Page and a two-year sponsorship deal with **Bathroom Showroom Wootton** they are now back on the road.

The charity that works to help reduce isolation and loneliness in people (particularly but not exclusively older people) in West Wight and surrounding area. Would also like to thank **Ztam Design & Print** for donating the van graphics and to **Brite Wight Valeting** for their support.

West Wight Men In Sheds are planning to increase the services they offer later this year subject to government guidelines for both men and women. This will include a stamp collecting group and a photography group, as well as additional services.
