

Online Forex Broker EuropeFX Partners With Bundesliga Stalwart Hertha BSC For The 2018/19 Season

Tuesday 9 October, 2018

EuropeFX & Hertha BSC. Partners For 2018/19

The capital club has a new supporter. Since the beginning of the 2018/19 Bundesliga season, [EuropeFX](#) is an official Hertha BSC partner with the partnership between the Blues and Whites and the online broker initially agreed for a year.

Ingo Schiller, Managing Director of Hertha BSC, had this to say about the new partnership.

"We are looking forward to an exciting cooperation with a new international partner. The choice of EuropeFX fits in perfectly with our projected digitization process moving forward."

Michael Landsberger, General Manager of EuropeFX Germany, added:

"As one of the fastest growing regulated brokers in the industry, our partnership with Hertha BSC is a major step towards expanding our client base globally and our primary goal is to provide our customers with the knowledge and tools necessary for their success. Hertha BSC and EuropeFX share common values of excellence and strive to be the best. We look forward to everything the future holds for this wonderful collaboration."

The deal brokered by Lagardère Sports includes a broad presence for EuropeFX in the club environment, including logo visibility on the club's premium TV channel, various digital activation options and also its own EuropeFX company box in the Olympiastadion Berlin.

Thorben Jeß, Executive Director of Team [Hertha BSC](#) at Lagardère Sports, added:

"As an online broker EuropeFX has access to virtually everything in the digital world. This partnership fits in well with Hertha's innovative vision for their digital footprint moving forward in the coming months."

EuropeFX is a leading regulated online [STP forex broker](#) with support for CFDs and cryptocurrencies, founded by a team of financial and technology experts.

Based on the principles of transparency and fairness, EuropeFX aims to provide its traders with the highest possible standards of customer service.

To achieve this goal, customers can access an extensive range of high-quality trading tools and educational products on the company website.
