Thursday 7 October, 2021

Award-winning care provider, Greensleeves Care, today announced that its latest care home, Buckler's Lodge, is to open in Crowthorne in early 2022 providing residential and dementia care and creating over 100 jobs.

Buckler's Lodge will be a luxury 80-bed care home in over two acres of grounds surrounded by unspoiled countryside and forest. Residents will have access to luxury facilities including comfortable lounges, a bistro, private dining room, library, cinema, and spacious en-suite bedrooms with balconies opening onto the wonderful views.

Greensleeves Care, which was recently recognised as a Top 20 Large Care Home Group by carehome.co.uk, also manages the widely acclaimed Glebelands Care Home in nearby Wokingham which provides high-quality nursing and residential care.

As one of the most competitive employee payers within the care sector in Berkshire, Greensleeves Care is renowned for high staff retention and supporting career progression.

Buckler's Lodge has commenced its staff recruitment process, which will see staff benefiting from exceptional training and development.

Debbie Rapson, General Manager at Buckler's Lodge, said:

"Having worked in the care sector for nearly 30 years, I am extremely passionate about providing exemplary care for residents in our community. As someone who started her career as a night care assistant, I share the same ethos as Greensleeves Care in supporting employees in their career path. It is a very exciting time for the Crowthorne community, and I am delighted to be a part of it."

Buckler's Lodge, located at Woodcote Green, will be opening its Information and Recruitment Suite late November 2021.
