OPPO’s Global Launch of ColorOS 12, Official 125th Boston Marathon Sponsorship, 3-year Celebration of OPPO x RCA, and Riot Games 2021 Partnership

Wednesday 27 October, 2021

World’s leading tech brand OPPO has taken leading roles in newer and upcoming launches along with the announcement of new ColorOS 12 International version.

OPPO, the global tech brand, has come up with a lot to offer to the World with its new products and latest bundle offerings. Being one of the most recognized mobile companies, there is more to observe with OPPO’s upcoming announcements and promotions. Beginning with the exclusive bundles, users will now be able to explore OPPO products including OPPO mobiles, chargers, and accessories in packages.

The new OPPO bundle offers feature latest OPPO smartphones i.e., OPPO Reno 5G with B&O A1 speaker and case, Find X3 Neo 5G with B&O H4 headphones, Reno 4Z with Enco W51 and more. All these bundle discounts are available to shop online from the OPPO UK store with free shipping and easy return.

The leading smartphone manufacturer has also announced the official global version of its latest operating system called ColorOS 12. This OS is based closely on the Android 12 with introducing brand-new inclusive AI, powerful features, and efficiently smooth performance. The features include 3-Finger translate, PC-Connect2, phone manager and flex drop for users to stay productive.

OPPO has also partnered officially with the Riot games for sponsoring the League of Legends World’s Championship 2021. This time OPPO has given a perfect opportunity to mobile-gamers, and gaming lovers to enjoy the event flawlessly. Another sponsorship of the global tech brand with the Boston Marathon has made it 2nd official smartphone partner of the World’s oldest race event.

The successful partnership of OPPO with Royal College of Art (RCA) is also celebrated for its 3rd anniversary. The OPPO X RCA studio project “The New Extraordinary” promotes the technology to elevate human's everyday lifestyle beyond the new normal. The collaboration with the World’s most influential institution of art and design supports OPPO’s commitment to the future of design.

OPPO’s formerly launched A16s from the A series hit the market for the midrange fanatics following 5000 Mah battery and AI triple camera. More so, the tech brand has introduced innovative features like HD + Eye-Care display, 3D curved-edge display and Game Assistant.

About OPPO

The leading global smart device brand, OPPO, has been ruling the world of smartphones since it launched its first smartphone “Smiley Face” in 2008.
