

## Pickawood Brings Custom-Made Furniture to the UK with Launch of Online Store

Monday 8 May, 2023

Pickawood, a leading provider of custom-made furniture, is pleased to announce its official launch in the UK. After a successful test run in 2022, the company has expanded its reach to provide UK customers with high-quality, custom-made furniture. The online store, located at [www.pickawood.com](https://www.pickawood.com), offers a wide range of furniture pieces, including bookshelves, cabinets, desks, tables, and more, all tailored to customers' individual specifications.

Pickawood's commitment to quality craftsmanship is evident in the use of only the finest materials to create furniture that is both beautiful and functional. Customers can choose from a variety of high-quality woods, including oak, maple, walnut, and cherry, as well as a range of finishes and colors to suit their individual taste.

The online platform offers an easy-to-use interface that allows customers to customize their furniture pieces to their exact specifications. Customers can choose from a variety of sizes, shapes, and designs, as well as select additional features such as drawers, shelves, and lighting.

"We are thrilled to expand our services to the UK market and bring our commitment to quality and craftsmanship to a wider audience," said Tim Ehling, CEO of Pickawood. "Our online store makes it easy for customers to create furniture pieces that are unique and tailored to their specific needs. We believe that everyone should have the opportunity to own furniture that is both functional and beautiful, and we are proud to offer our customers just that."

With its expansion to the UK market, Pickawood is poised to revolutionize the online furniture shopping experience. The company's attention to detail and personalized service ensures that each customer receives furniture pieces that are not only beautiful but also long-lasting, durable, and made to last for generations.
