

# Popular Cloud Mining that everyone can participate in: INEMiner launched CloudMining™, offering a \$100 registration bonus and fixed income. Let everyone participate in Mining

Saturday 9 August, 2025

## Brief Overview

**INEMiner launches CloudMining™, bringing transparency to mining with just a \$100 investment. Why? Sign-up bonus and fixed returns.**

**Cloud Mining offers a \$100 sign-up bonus, a fixed daily return of \$0.80, and no maintenance fees.**

INEMiner launched CloudMining™, a next-generation cloud mining platform, to meet the growing demand among retail and institutional investors for transparent, convenient, and high-yield cryptocurrency investment opportunities. CloudMining™ is a brand new way to earn Bitcoin (BTC) suitable for both new and experienced investors.

Quickly profit from Ethereum (ETH), Dogecoin (DOGE), and other major assets without ASIC mining equipment or increased energy costs. All from one place.

While mining is a primary goal for all blockchains, many remain hesitant due to the high costs and challenges. Now, you can earn cryptocurrency rewards with just 1-2 clicks per day on the most efficient cloud mining platform, spending just \$100 on your smartphone, and in an environmentally friendly and transparent way.

## Key Features and Benefits:

Sign up and get \$100.

As part of the welcome package, new users receive a \$100 welcome bonus and a free contract worth \$0.80 per day.

Fixed-income contracts offer flexible terms, starting at \$100 for a two-day trial and escalating to enterprise-grade contracts worth over \$1,000.

Each contract clearly specifies the daily payout amount and total return at maturity.

Investors can view returns at checkout for free, and there's no installation, maintenance, or electricity required.

The multi-asset support system supports deposits and withdrawals for BTC, ETH, and USDT (ERC-20). LTC/XRP is the most popular, followed by BCH+USDC.

Dedicated referral program - Invite friends, family, and supporters to earn rewards of up to \$50,000.

24/7 service. Reliable contracts are backed by global renewable energy farms, and a 24/7 multilingual team ensures the best cloud mining experience. All contracts are fully automated.

Looking for more active contracts on INEMiner? Sign up now and win \$100.

1. Sign up for the most advanced cloud mining platform and receive a \$100 welcome bonus the moment you create an account.
2. Choose a plan—select the one that fits your budget.
3. Collect your daily earnings on your dashboard and withdraw them at any time.

By consolidating proof-of-work mining into a single, accessible subscription service, the future of finance is being redefined, and we're committed to driving this progress. With CloudMining™, individuals can earn passive cryptocurrency with just a few clicks.

About INEMiner Cloud Mining.

INEMiner is the leading cloud mining platform for large-scale blockchain infrastructure. We operate over 100 renewable energy mining sites in 68 countries worldwide, generating a total of 28.3 terawatts of power and delivering a hash rate of 566 exahashes per second. MW is the expected capacity of the hosting infrastructure, and 1MW is the target capacity. This will result in a power generation capacity of 1 MW. We are on track to reach 1 GW by 2027.

CloudMining™ is a cloud mining service with over 100,000 registered users worldwide.
