Popular Eastbourne escape room, The Locked Room are now offering gift cards.

The popularity of escape rooms has been growing around the world since the early 2010s. The idea grew out of escape-the-room style video games and TV shows such as 'The Adventure Game' and 'The Crystal Maze'. Escape rooms, which each have a theme and a fictional location, provide an immersive experience in which players participate in a physical adventure game, solving puzzles and riddles. Racing against the clock, they attempt to uncover the secret of the room. Common themes include haunted houses, zombies, treasure hunts, science labs, prisons, pirates and kidnappings.

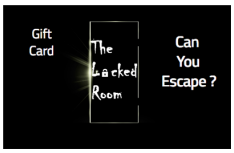

The Locked Room, located in Eastbourne, puts players in a scenario where they are attempting to stop the spread of a lethal virus by locating a scientist and an anti-virus. With locals and tourists alike showing such enthusiasm for the experience, the company has recently started to make gift cards available. A company spokesman for The Locked Room said: "We are delighted to offer gift cards after so many requests from customers." A gift card for The Locked Room makes it possible to give the experience as a gift and is suitable for a wide range of people and events.

An experience in The Locked Room is a great way to enjoy time with family or friends. It will build team skills, promote togetherness and test the skills of logic, deduction and reasoning. For a unique birthday party or celebration, The Locked Room is the perfect activity, appealing to all ages and giving a great sense of achievement, as well as being great fun, of course.

The mixture of mystery, adventure and challenge is one of the elements that makes The Locked Room so appealing. As players are drawn into the story, they feel a sense of urgency and motivation grows. So much more rewarding and memorable than just another night out, The Locked Room experience will be one that is talked about and remembered by its participants for years to come. Should the players need an extra hint, there is help on hand to ensure a satisfying experience is had by all.

The Locked Room, located conveniently for public transport and parking, is Eastbourne's premier Escape Room. Bookings can be made online at www.thelockedroom.co.uk.
