Powered Now User Todd Glister Wins Plumbers Plumber of the Year at the Installer Show

London, UK — [2/7/24] — Powered Now, the leading app for plumbers heating installers and other trade companies, is thrilled to announce that one of its users, Todd Glister, has been awarded the prestigious "Plumber's Plumber of the Year" at the renowned Installer Show. This accolade is a testament to Todd's exceptional skills, dedication, and commitment to the plumbing industry.

The Installer Show, held annually, is a premier event that celebrates excellence and innovation in the plumbing and heating sector. The "Plumbers Plumber of the Year" award is one of the most coveted recognitions in the industry, honouring professionals who demonstrate outstanding craftsmanship, customer service, and industry leadership.

Benjamin Dyer, CEO of Powered Now, commented: "We are incredibly proud of Todd for achieving this remarkable honour. His dedication to his craft, customers and educating people about this trade we love is truly inspiring. At Powered Now, we strive to support tradespeople like Todd by providing an app that makes their work more efficient and manageable. This award is a testament to Todd's hard work and the value that our platform brings to our users."

Todd Glister, who has been using Powered Now for years, expressed his gratitude: "This means the absolute world to me. I want to thank everyone so much who nominated me to win this award, it really makes everything I do, and all the work I put in to try and help as many people out there worth it"

About Powered Now: Powered Now is a leading software solution for tradespeople, offering a comprehensive app that simplifies business management. Designed to meet the unique needs of plumbers, electricians, and other trades, Powered Now provides tools for job scheduling, invoicing, quoting, official paperwork such as certificates and customer communication. Our mission is to empower tradespeople to run their businesses more efficiently and successfully.
