Prestige Flowers and Barnardo’s team up to make mum smile!

Sunday 28 February, 2016

Online Florist, Prestige Flowers have launched a range of bouquets to celebrate Barnardo's 150th anniversary #150AndForever. The new bouquets perfect for Mother's day are unique in that 25% of the total order value is donated directly to the children's charity. This new range furthers Prestige Flowers collaboration with the charity, who since 2012 have operated BarnardosFlowers.org.uk, a site for sending beautiful flowers in which 25% of the order value is donated.

Each bouquet bought helps Barnardo's assisting disadvantaged children, young adults, and families all across the UK. There are several bouquets to choose from, depending on mum's favourite flowers and colours. The 'Believe' bouquet is the picture of elegance with the kind of softness to it that makes you think of a mother's love. The other bouquets are each named after the original Barnardo's cottages located at Barkingside. These cottages were used to give disadvantaged children a place to live and feel loved and are part of the charities heritage.

By choosing these flowers for Mother's Day, you will be showing mum that you care while helping others in need. These new bouquets are available at www.barnardosflowers.org.uk or http://www.prestigeflowers.co.uk/charity-flowers and start from £35 generating an £8.75 donation to the Barnardo's charity.
