

?Proudly boasting the “longest running Oktoberfest in the UK

Thursday 6 September, 2018

Fulham's **Oktoberfest** Pub offers not only authentic mouth-watering cuisine, but also a selection of over 60 seasonal beers, schnapps and wines imported directly from Germany. Oktoberfest Pub is *the* quintessential Bavarian experience in London.

From the moment you walk in through the impressive wood-panelled Alpine-style façade, the interior decor immediately sets the atmosphere perfectly. With its colourful array of Bavarian flags and authentic ornate stein glasses, not to mention its 8-seater wooden benches and the Marienplatz street sign hanging proudly atop red brickwork, you feel as though you've been transported into a German beer hall in Munich itself!

To celebrate the annual Oktoberfest in Bavaria, this hidden gem in the heart of leafy Fulham will be hosting a live German oompah band every Friday and Saturday evening from 8 September onwards. Few can resist the lure of a traditional Bavarian beer hall celebration with authentic German beers and cuisine combined with a live oompah brass band playing all your favourite sing-a-long tunes!

Friendly staff bedecked in lederhosen and dirndls will help cater for your every need throughout the evening. Guests are also welcomed on to the stage to partake in some interactive Bavarian olympics...which not only provides hilarity for all, but also guarantees to have the whole crowd joining in with the singing while standing on their seats by the end of the evening!

The authentic German beer hall feel is supplemented further by an extensive selection of traditional Bavarian cuisine. From freshly in-house-baked Bretzel (Bavarian pretzels) to the King Ludwig feast-inspired Lumberjack Platter, there are dishes to suit every palate...and appetite! Main courses range from the ever-popular Jagerschnitzel, served with a delightful home-made creamy mushroom sauce, to the best Bratwurst served this side of the Brandenburg Gate - sourced from the very same butchers who supply Munich's famous Allianz Arena (home of world-renowned German champions Bayern Munich)!

'All our meat dishes are sourced directly from our speciality butchers in Germany for the most authentic taste of Bavaria possible,' says head chef Kamel Segouini.

Whether you're a seasoned Oktoberfest veteran, well versed in Rheinhartsgabot (speciality German brewing laws devoted to governing the country's strict brewing guidelines), or a German beer novice, you'll find something that both whets your taste buds and satisfies your thirst. Introductory beer tasting wheels are available for those of you unsure which style of beer to opt for. However, the range is so extensive that even a seasoned connoisseur will find a tipples they've yet to encounter. Guests seldom leave the Oktoberfest Pub thirsty, that's for sure!

Make **Oktoberfest Pub Fulham** your next destination. **Even more than just great beer with atmosphere!**
