5th November 2014 – Indie developers VooFoo Studios and Ripstone Publishing announced today that their critically-acclaimed pool simulation game; Pure Pool will be breaking off on Xbox One on Friday 14th November, priced at £6.99/ €7.99/ $9.99.

Pure Pool, which is also due for release on NVIDIA Shield tablet this November, boasts the most authentic pool experience on the market, promising fans the next best thing to real life pool.

Hustle Kings developers and pool sim veterans; VooFoo Studios, have refined their tried and tested formula to deliver Xbox One fans the ultimate next gen pool game. Aside from the game's ultra-realistic HD visuals and finely tuned physics engine; Pure Pool offers players the opportunity to experience a living, breathing pool hall – all from the convenience of the couch.

Players can look forward to live online Multiplayer; competing against worthy opponents in both head-to-head matches and in global online leagues. Pure Pool will also track individual gaming-styles, creating a unique DNA profile as they play. It's even possible to play against AI renditions of friends and foes when they're not online.
