# Quique Oranges allows you to enjoy in United Kingdom the authentic Valencian oranges in a record time

**Friday 6 February, 2015**

*The Spanish company Quique Oranges* has achieved to consolidate in the English food market through an effective and modern importation of the best Spanish oranges and citrus fruits. Thanks to the Internet and new technologies is possible enjoy at home all the freshness, flavor and vitamin content of authentic Valencian oranges in a short period of days.

The oranges and tangerines from Valencia have incomparables features, due to their characteristic size or their large amount and quality of juice, that make them unique and recognized all over the world. Now, you can enjoy these authentic citrus fruits from Valencia because is easy thanks to *Quique Oranges*. Only it is necessary to make an order through the store online http://www.orangesonline.net.

Immediately after they receive the order, the *Quique Oranges* team proceeds to collect the fruit guaranteeing that just picked oranges and tangerines are at their optimum point of ripeness and with the maximum freshness. Quique Oranges advocates for a traditional and fresh cultivation because the fruit does not pass at any moment by the refrigeration rooms. When the fruit is packaged, they sent it by urgent transport service coming to your home in only 5 days.

*Quique Oranges* has been present one year more in Berlin at the prestigious international trade fair for the food industry, agriculture and horticulture IGW International Green Week 2015. It is a family company with extensive experience dedicated to the production of citrus fruit such as oranges, tangerines, grapefruits, lemons and pomegranates. Besides, they are pioneers in Spain in the online sales of Valencian oranges to anywhere in Europe for over 12 years ago. The innovative character of the company and the good use of new technologies has permitted along with the bet on the traditional cultivation that hundreds of English customers, both individuals and companies, trust in their high quality products

Oranges and other citrus fruits that Quique Oranges sells, are cultivated in their fields in Massamagrell (Valencia). The extraordinary quality of oranges and tangerines is due to the great Mediterranean weather and also for the warm rays of sunlight that they receive daily. All this united with the use of technology and mime of their farmers. Because for quality, price and features, orange is probably, the best fruit of the Mediterranean diet.

*Quique Oranges* has shop online www.orangesonline.net, also is on Facebook, Twitter and in the Blog where they offer information, recipes, curiosities and advices aboutValencian citrus and their properties.
