

Regus and SocialBox.Biz Announce Laptop Donation Drive Across Regus Centers

Thursday 15 August, 2019

Donation drive aims to reach a milestone of 1000+ laptops donated

Regus and SocialBox.Biz have forged a highly successful partnership that is helping homeless people get back on their feet. In celebration, a special donation day is being organized and is slated for August 15, 2019, and aims to hit a milestone of 1000 laptops donated by 2020.

On Thursday, August 15, 2019, local press, councilmen and councilwomen, politicians, and other community figures are welcome to come for a special donation day morning and coffee.

To date, Regus sites have received approximately 200 items including laptops, office telephones, network switches, servers, desktop computers, mobile telephones, and business attire.

"I'm glad that this is up and running. Any help that can be brought through this innovative social initiative is to be welcomed. Well done" said Steve Adams Councillor for Belsize, London Borough of Camden commenting on the event held at Regus-Spaces Farringdon, London EC1M 3JU in the Borough of Camden.

The initiative to reach 1000 laptops by 2020 is on track to be a success; to date, 600 have been donated. Those who want to take part in helping reach the milestone include Regus clients, which include entrepreneurs, small businesses, consultants, and more, and the public is also invited to donate laptops, computers, old mobile devices, attire, and more. Before donating, donors are asked to remove private data from tech devices as this is a public event.

More information can be found at <https://www.socialbox.biz/1000-laptops-for-homeless-support/>, where a gauge is showing the progress being made towards the goal of receiving 1000 laptop donations by 2020.

About Social Box Biz
