Renaissance London Partner with Glyphics to Launch New Signage

Wednesday 18 June, 2014

Antique fireplace specialists Renaissance London partner with London's creative sign and letter makers Glyphics to launch to new signage.

Local business Glyphics has put together a new sign for Renaissance London, an antique fireplace dealer and restoration business, that is located on City Road in East London's trendy Shoreditch.

As well as antique fireplaces, Renaissance London also offer a unique range of salvaged artefacts, French style mirrors and ornate lighting. Renaissance London is delighted to announce the latest addition to their collection comes in the form of a new sign designed by fellow London traders Glyphics, a creative sign and letter maker business.

Glyphics was founded by Brian Heppell in 1985 and was joined by his son Tim in 1998. The London-based family-run business specialises in designing original signage, lettering and graphics, for businesses to decorate their walls or windows with. Glyhpics' breadth of expertise ranges from type design and branding to typesetting and traditional craft skills. The creative sign and letter makers can adapt their skills to suit a range of industries including construction, government, retail education and leisure. Key services of the signage company includes 3D lettering, glass signs, letter carvings, vinyl lettering and graphics and large digital prints. Their vast knowledge and experience in the industry makes them highly sought after by leading architects, interior designers and specialist design agencies.

Renaissance London is an emporium of antique fireplaces, and their 15 years in the industry has earned them a strong reputation for being leading fireplace dealers and restorers. Specialising in Victorian marble fireplaces and French and Italian stone fireplaces, Renaissance London's fireplace collection ranges from elegant Georgian cast-iron surrounds and inserts to bespoke corbels and reproductions. The East London-based fireplace specialist also accept commissions for fireplace reproductions as well as offer services in complete restorations and fittings. Their fireplaces are constructed at their Shoreditch workshop, all hand crafted and beautifully finished. Renaissance London's items have been highly sought after by interior designers and a number of high profile celebrities within the entertainment and food and drink industries.

To view the specialist collection of antique fireplaces and architectural pieces offered by Renaissance London, visit their website www.renaissancelondon.com or head on down to their showroom in Shoreditch. Being dubbed as an Aladdin's Cave of unusual and spectacular items, a visit to their workshop on City Road is a must.
