Replacement Van

Wednesday 23 December, 2020

Can you help West Wight Men In Sheds raise the additional funds they need to purchase a replacement van?

Their previous van has enabled them to help the local community even more than normal. Over the last eight months, it has enabled West Wight Men In Sheds to help deliver over 600 hot meals as well as delivering shopping and prescriptions to the vulnerable and isolated members of the community during lockdown.

Being able to purchase a replacement van will enable them to continue supporting the local

community and other local groups and charities, if you can help please donate online via:
