Compiling the votes for the teams for Curry Capital of Britain supported by partners Sainsbury's, Amira Rice, Bhai Cider and Kingfisher has been a huge undertaking this year with thousands and thousands of votes from the beginning of April until the very close of voting at midnight on Friday, say organisers.

"The enthusiasm has been amazing," commented Peter Grove, organiser of the event as part of National Curry Week, "and suggests that winning the title this year will be a very hotly contested matter".
