Tuesday 15 October, 2024

United Kingdom, London – Euro Credit Holdings Limited, under the leadership of Managing Director Rhys Aldous, is proud to announce significant advancements in its strategic expansion throughout Asia. Rhys Aldous and his team, including newly appointed business development managers, have been meeting with key clients in mainland China, Malaysia, Hong Kong, Singapore, and Indonesia throughout July. These efforts culminated in the closure of the company's seventh deal in the region as of 29th July 2024.

Rhys Aldous expressed his optimism for the future: "In the face of adversity, our greatest strength has been our reputation and our relentless commitment to providing excellent services. Our recent expansion across Asia reflects the trust clients place in Euro Credit Holdings Limited and its ability to deliver."

The expansion efforts have not only strengthened Euro Credit's footprint but also opened new markets in Taiwan and Vietnam, where demand for its financial services has been rapidly growing.

"Rhys Aldous has demonstrated exemplary leadership and dedication during this expansion," said Malcolm Jameson, Head of Compliance. "His ability to navigate complex markets and foster strong client relationships is unmatched in our industry."

Rhys Aldous's efforts have also been pivotal in driving the success of the company's China A-share lending business, where Euro Credit Holdings Limited has signed over 30 new customers in just a few weeks.
