Rings and Romance at Coburg House

Wednesday 4 February, 2015

Romance is in the air. Valentines Day is coming up and heads are being turned.

Make this one different by working one of the many award winning jewellers at Coburg House.

Sure of the beau but not the bling? For a quirky romantic gesture make it dramatic with Julie Allison's engraved silver 'Will you marry me?' pendant.

Book a day to make your own wedding rings with Donna Barry and Hannah Louise Lamb. Some couples have made it into a weekend and stayed in one of Edinburgh's boutique hotels.

Or consider having a treasured antique piece remodeled with the expert skills of Lorna Hewitt.

Perhaps make a unique new treasure with one of Coburg's jewellers and choose a specific design to suit.

This is how memories are made!
