Three holidays from Quality Villas, Cottages and Unearthed for rugby fans. Whether one has tickets or not, the atmosphere around this event is something not to be missed. Book a last minute week away or maybe just a few days?

USA v Japan 11th October, Gloucester
Hideaway Shepherds Hut, 20 minutes from Gloucester.

Hideaway Shepherds Hut is a superb abode built by one of the leading UK Shepherds Hut companies. We would recommend arriving the day before the match and booking a locally sourced breakfast pack to make the day of the match as much of a treat as possible. Unusually, this hut has its own shower room inside so it really is a top end hut.

10-12th October: £174

France v Canada, October 1st - View in France for a last minute week away
Head for some last minute winter sun near Toulon, one of Frances' most rugby friendly cities. With kick off at 8pm, the atmosphere in this Mediterranean sea side town, home to Jonny Wilkinson for some years will be amazing. Les Quatre Fleurs is 45 minutes away and would make for a great break in the week of the match. French Autumnal markets, sun- and rugby!

26 Sept - 3 Oct £2395 (£239.50 per person)

Australia v Wales October 10th, Twickenham
With kickoff at 8pm on a Saturday, you can be assured that any pub with a screen in Wales will be buzzing. We would recommend The Keep in the heart of Pembroke. Book a 3 night break from the 9th-12th and spend the day of the match exploring the town and its amazing castle.
