# Run for React

**Tuesday 14 March, 2017**

**Calling all runners! We would love you to run for React at this year's British 10k 2017.**

It doesn't matter whether if you're a beginner or advanced runner, we welcome all who are willing to join us on **Sunday 9th July 2017** to ensure terminally ill children receive the vital support they so deserve.

This prestigious and atmospheric event will take you around some of London's most iconic landmarks and welcomes thousands of people, both runners and enthusiastic spectators. By choosing to run for React, you will be supporting the thousands of vulnerable families and children living in the UK, who are in desperate need of assistance each day.

Signing up is easy and all we require is your pledge form. There is no registration fee and we ask you to raise a **minimum sponsorship of £150**, with money raised put directly towards providing integral equipment to terminally ill children.

So grab your running shoes, have fun and run for React!

Should youwish to learn more about the British 10k or any of the other runs or challenges we can arrange, please do not hesitate to call React on **0208 940 2575** or alternatively contact **react@reactcharity.org.**
