

SaneChoice Celebrates nearly two decades of excellent customer service

Tuesday 21 March, 2023

In a world reliant on technology, it's easy for the "human touch" to be forgotten, especially when it comes to digital services such as web hosting, design, and digital security. SaneChoice, however, are the perfect partner for businesses of all sizes, due to their human-centric approach to business.

SaneChoice uses their expert knowledge of the digital and technological world to help businesses stand out from the crowd. Their expert services include:

- Web Hosting
- Premium WordPress Hosting
- Business Email Management
- Website Design
- Website Building
- Search Engine Optimization
- Website Backup
- SSL Certificates
- Domain Name

Their reliable products provide businesses of all specialities with the tools they need to succeed in the digital world. For example, web hosting and design services help put businesses on the map, providing them with a stellar ROI as more and more customers can discover their brand. When combined with SEO best practices, a solid online presence can become a business' primary customer acquisition method.

Given that one small business falls victim to a cyber attack every 19 seconds in the UK, cyber security is an ever-pressing issue for business owners. Security tools, such as SSL Certificates, are integral to protecting businesses from hackers by establishing a secure network. As such, having access to this kind of service can provide business owners with much greater peace of mind, alongside protecting them from cyber attacks and their catastrophic consequences.

However, as discussed above, the quality that sets SaneChoice apart from its partners is the fact that they go above and beyond for their customers. No task or query is too big or too small - and a member of the friendly, highly qualified team is always on hand to assist their customers.

As such, it's no surprise that SaneChoice receives consistently glowing testimonials from their customers, such as:

"I had a really great, personal and friendly experience working with SaneChoice. They were very communicative throughout our interactions, it's always great to feel like you're talking to real people." - Annabella-Rose Davies.

"Fantastic Company to deal with, and particularly helpful. Set up my Business website exactly how I requested and was on hand to help after with any adjustments I need and still are now." - Lisa Lord-Richards

As they move into their twentieth year of operation, SaneChoice continues to provide their customers with award-winning customer service, alongside access to innovative yet reliable services.

Their years of industry experience mean they're quick to adapt to any changes that are introduced in the digital world, which can help keep their customers ahead of the curve.
