

Seattle Bitcoin Summit Features Bitcoin 2.0 applications, Roger Ver & Overstock.com Chairman

Tuesday 15 July, 2014

The Seattle Bitcoin Summit will kick off with Overstock.com Chairman, Jonathan Johnson III on September 28 – 29. Johnson will join Bitcoin visionaries Roger Ver, Tony Gallippi, Charlie Lee, Patrick Murck, David Johnston and Matt Roszak to headline a conference targeted toward Bitcoin 2.0 and Bitcoin Blockchain innovations.

The first major Bitcoin Summit in the great northwest will explain the “next generation of payments.” The sessions will explore innovative alternative cryptocurrency opportunities including practical applications in business from Susan Hitch, CFO of D Hotels and Edward Clements with BitBrew.

Presenter's titles and company affiliations:

Jonathan E. Johnson III

CEO / Overstock.com

Anthony Gallippi
CEO / Co-Founder of BitPay

Charles Lee
Litecoin Creator / Coinbase Creative Director

Patrick Murck
General Counsel for The Bitcoin Foundation

David E. Johnston
Managing Director of The BitAngel Fund

Matthew G. Roszak
Co-Founder, Vice-Chairman of Silk Road Equity

“Overstock.com experienced a significant first-mover advantage by adopting bitcoin as a payment alternative,” said T. Steel Rose, CPA, editor of *CPA Magazine*, a co-sponsor of the event. “It's emblematic of the character of the bitcoin community's open source attitude that they are sharing their success with the bitcoin technologists and business leaders.”

Seattle Bitcoin Summit will take place on the day prior to the largest Digital Retailer Technology event, Shop.org, in downtown Seattle at the Washington State Convention Center.
