AN END TO ESTATE AGENT FEE'S.

Is this the end of Estate Agent's as we know them?

Sell My Property Online believe so.

Nick Coombs the Chief Operating Officer stated the following:

'Like most people, property is a passion of mine and at my ripe old age and with the number of transactions I've been through in my lifetime it doesn't bear thinking about the amount of fee's I have paid. At Sell My Property Online we intend on abolishing the sky high fee's, and make the process as efficient and stream lined as possible.

Moving home shouldn't be as expensive process as it seems to be, and it should be a slick and easy to follow process.

Sell My Property Online will make the marketing of your property as simple as possible and introduce our clients to the professionals who will conclude their transactions quickly and cheaply.

If we haven't became the number one online agent within 24 months, I'll be incredibly shocked'.
