SFG20 will be in attendance at the HEFMA National Leadership Forum

Friday 6 May, 2022

[London, UK] [May 2022]— We are pleased to announce that from 11-13th of May we will be attending the HEFMA National Leadership Forum in Stadium MK, Milton Keynes. Hosted by the Eastern Branch, HEFMA's 2022 National Leadership Forum will comprise an informative programme of expert presentations, and a comprehensive trade show featuring key suppliers of equipment and services.

SFG20 is a unique, mobile-enabled, maintenance management system that's essential for anyone who owns or manages healthcare facilities. Our library of over 2000 maintenance schedules give facilities managers a complete view of all maintenance activities that are required to keep their healthcare facilities running compliantly and efficiently. Healthcare facilities management teams can use SFG20's tools to build a maintenance strategy that focuses on preventative maintenance to look after their medical equipment and hospital buildings to keep patients safe and healthy.

Be sure to stop by the SFG20 stand, where we'll be conducting live product demonstrations, answering frequently answered questions and sharing our expertise.
