

SHINING A LIGHT ON WOMEN BEHIND THE SCENES SINGER STUDIOS LAUNCHES NEW PODCAST SERIES

Friday 3 March, 2023

Media:

FOR IMMEDIATE RELEASE: Ahead of International Women's Day on the 8th March, female-led production company Singer Studios, announce the launch of WOMEN BEHIND THE SCENES, a brand new podcast series hosted by filmmaker and founder Eloise Singer.

In each episode, Singer sits down with a different guest working behind the scenes in the screen industry to talk about their experiences, challenges, and successes, exploring the art and craft behind some of the most impactful and acclaimed films of the moment.

WOMEN BEHIND THE SCENES is dedicated to exploring all stages of the filmmaking process. "Making women behind the scenes has been amazing, to speak with these incredible women has left me both inspired and in awe of their drive to tell the stories they believe in" said Singer.

On the first episode Singer talks with BAFTA winning, OSCAR nominated Lesley Paterson, a 5x world champion triathlete and the co-writer & exec producer of ALL QUIET ON THE WESTERN FRONT. They discuss Lesley's journey from the world of sport into filmmaking and the tactics she used to get this story from page to screen.

NOTES TO EDITORS

About WOMEN BEHIND THE SCENES

Have you ever wondered what it's like to work in the film industry? Join host and filmmaker Eloise Singer as she explores the stories behind some of the most impactful and acclaimed movies of the moment. In each episode, Eloise sits down with a different guest - from directors to producers, and editors to writers - to talk about their experiences, challenges, and successes. From difficulties in production to Oscar nominations, hear the journey each filmmaker took to reach where they are now and discover what goes into creating outstanding cinema. Singer Studios, a female-led UK-based production company and creative studio, uses the power of storytelling to help break boundaries, question the status quo, and spark change.

EPISODE 1 - AVAILABLE NOW

All Quiet on the Western Front: Co-Writer and Executive Producer Lesley Paterson

Lesley shares her advice on how to maintain motivation to get your project made focusing on the mastery of a craft rather than a fixed outcome Lesley's journey from the world of sport into filmmaking and her

utter dedication to getting this film made is a great inspiration to us all to keep persevering despite the odds

EPISODE 2 - AVAILABLE NOW

All That Breathes: Editor Charlotte Munch Bengtsen

Charlotte shares her advice on how to challenge anxiety about your creative work, overcome feelings of loneliness and build a powerful team around you. In sharing her journey from dancer to editor, Charlotte reminds us of the power of leaning into your other skills to enhance your creative work.

EPISODE 3 - FRIDAY 3 MARCH

Navalny: Producer Odessa Rae

Odessa tells us about following your intuition and taking risks, navigating personal safety and security on a high stakes project. In sharing how she put everything on the line for this documentary, Odessa demonstrates the power of risk taking and trusting your gut in the creative process.

EPISODE 4 - WEDNESDAY 8 MARCH

The Swimmers: Sally El Hosaini

Sally talks about the process of learning to let go of her expectations, and the beautiful, spontaneous discoveries that she made as a result of trusting that her path would find her. Sally shares her advice on following your joys and passions to find your career path and building the right cast and crew for a project, in doing so Sally reinforces the importance of storytelling as a tool to connect and understand more about the world

Women Behind the Scenes is hosted by Eloise Singer and produced by Ben Weaver-Hincks for Singer Studios.

Executive Producers - Eloise Singer and Cathy Anderson

Production Manager - Hannah Alexander

Post Production - Matt McGuinness

Editing, Mixing and Mastering - Tom Fred Bradshaw [iGame.Audio]
