

Sibling Distillery Wins International Award In Their First Year.

Monday 20 April, 2015

Since launching in June 2014 Sibling Distillery, a Cheltenham based gin distillery run by four young brothers and sisters, has taken the drinks industry by storm. Sibling Triple Distilled Gin was a hit from day one, with a highly contemporary flavour and equally state-of-the-art still; it was being stocked nationwide in luxury retailers and called 'exceptional' by experts within two months of trading.

Since then Sibling has been selected as one of the Top 10 Start-ups of 2014, chosen as Editor's Pick, Buyer's choice and served in British Airway's first class lounge, before recently being named the Gin of 2015. That aside, what remains important to the four siblings is that the quality of the spirit is the highest possible and no corner is cut. And now less than a year into their distilling careers, they are being ranked alongside names like Hendricks and Tanqueray with a Bronze Medal in the International Spirits Challenge – a competition open to spirits producers worldwide.
