Signet Ring Specialist, Rebus, Comes to Edinburgh for First UK Trunk Show

Thursday 24 March, 2022

Award-winning hand engraved signet ring specialist, Rebus, is excited to announce that their first UK trunk show will arrive in Edinburgh this spring, taking place on Friday 29th and Saturday 30th April at the elegant Cheval The Edinburgh Grand hotel, in the heart of the city.

Bringing the Rebus showroom experience to Edinburgh from the company's base in London's famed jewellery quarter, Hatton Garden, their customers in Scotland will, for the first time, get the chance to meet with Rebus signet ring experts Rachel Constantine and Merryn Milton for a one-of-a-kind, personal consultation in their hometown.

"Our digital consultation process has bloomed over lockdown, but we've deeply missed the intimacy of in-person design consultations. Over the last few years we've been inundated with requests from clients in Scotland, and we're delighted to finally bring the Rebus experience to Edinburgh for our first ever UK trunk show," says Rachel Constantine, Rebus signet ring expert.

By appointment only, one-on-one consultations will allow clients to browse a collection of signet rings, in a variety of sizes, metals, and precious and semi-precious stones. The Rebus team will be on hand to offer advice, and demonstrate the finest examples of Rebus design and engraving, closely collaborating with clients on a custom hand-engraved crest or monogram design.

Once a piece is commissioned, the final design will be produced by a team of expert hand engravers in Rebus' flagship workshop, and upon completion, delivered to their new owners.

"We are delighted to launch our first UK trunk show in Edinburgh, to offer potential clients the opportunity to view and try on our product range without having to travel to our London showroom and workshop. The Scottish culture in the arts and its historic heraldic and clan imagery can translate perfectly to an engraved design to create a unique precious possession," says Emmett Smith, Founder and Owner of Rebus. "Our high-quality pendants, hand crafted by a talented team in our own workshop, can add that finishing touch and transform an outfit. Why not include an engraved design to further add to the exclusivity to make an individually designed bespoke gift?"

One-on-one appointments will take place on Friday 29th and Saturday 30th April at the Cheval The Edinburgh Grand hotel located at 42 St Andrew Square, Edinburgh, EH2 2AD.

Consultations can be booked through their Eventbrite page:
