Singletrack appoints product expert Brijesh Malkan

Tuesday 6 July, 2021

London, July 6 2021: Singletrack, the capital markets CRM and research management expert, today announced that product strategist and industry veteran Brijesh Malkan has joined the team as Vice President, Product.

Brijesh has over 20 years' experience in financial services and technology, most recently running his own consulting firm where he worked with leading sell side, buy side and B2B information services firms to develop growth strategies and product development initiatives. Previously, he spent 7 years at BCA Research, most recently as SVP, Corporate Development, Product Management and Marketing and prior to that held positions at SG Analytics, Legal & General Investment Management, BNP Paribas and Fidessa amongst others.

On joining Singletrack, Brijesh comments: "I am excited to be joining Singletrack at a key moment for our industry as financial services firms confront new challenges and opportunities. Singletrack has built a strong reputation in the market as a trusted partner to its impressive and growing client base - supported by an experienced and dynamic team, flexible platform and an unrelenting focus on helping clients quickly leverage technology and data-driven insights to address critical business needs. The firm's commitment to innovation and forward thinking has created huge potential that I look forward to working with the team and our clients to realise."

Stuart Berwick, CEO, adds: "As Singletrack continues to grow, we are expanding our leadership capabilities. Brijesh's appointment as Vice President, Product is key as we seek to build out solutions that meet the current and future requirements of our capital markets clients. His expertise, industry knowledge and drive will be significant assets and we look forward to welcoming him into the Singletrack family."
