

Skyline Marketing Confirms Travel Plans for Industry Events

Thursday 11 June, 2015

Sales and marketing firm, [Skyline Marketing](#) have revealed their plans to travel the country for an important business meeting as well as their international travel plans.

About Skyline Marketing: <http://www.skylinemarketingltd.co.uk>

On the 14th June Skyline Marketing will be attending an important leaders meeting in Manchester, at the Manchester Central Convention Complex. Managing Director, Jamie Talbot will be speaking at the event on the topic of 'Observations'. The Manchester Central Convention Centre has 6 large meeting rooms, each of which hold up to 170 people. As well as this there is a large foyer and central hall, which will be a great place for the business owners at the event to network and make valuable business connections. Skyline Marketing will travel from their Liverpool office, with their business leaders to attend the event.

Skyline Marketing believes that this type of event gives business leaders a chance to share their knowledge with others as well as learn some new skills to implement into their own business. As well as this, there is a great opportunity to network with similar business owners and make long-lasting connections. This is very valuable in business as it helps to have good connections to ask for advice and sometimes referrals.

Skyline Marketing have also revealed that they plan to travel to New York in July to attend the American Sales and Marketing Awards Ceremony and to South Africa in October for their Awards Ceremony too. The firm are hugely excited to be travelling internationally to experience and celebrate the successes of the sales and marketing industry overseas. "We hope to make long-lasting connections here and bring back valuable stories and new-found knowledge that we can use to implement new strategies into our own firm" said a spokesperson for Skyline Marketing.

Skyline Marketing believes that travelling helps the firm to keep motivated – by taking time out to experience new environments and meet new people the firm are able to seek inspiration from different areas and this therefore helps them to implement new and exciting ideas within their firm. "By always shaking up our ideas and instilling new strategies into our business, we are able to increase productivity and always keep things moving forward" said Skyline Marketing.

Skyline Marketing is an outsourced sales and marketing firm based in Liverpool. The firm specialises in a personalised form of marketing where they work closely alongside their clients to develop unique campaigns that accurately represent their brands. By determining their ideal consumer profile and target market the firm are able to take these campaigns directly to potential prospects using face-to-face marketing techniques. This helps to create long-lasting and personal connections between brand and consumer. This often leads to increased customer acquisition, brand awareness and brand loyalty for their clients
